Summary

Have you ever wondered what HR does? Ever thought: I could care less about HR unless I have an issue with my manager, my pay, or a benefit? Have you told your friends and colleagues, “If I were a leader in this company I would definitely change the culture of this organization.”

This is your opportunity to learn all about Human Resources and how it impacts you and every person in the organization (including the leadership – remember they are employees too). Learn how you can help to make changes at your organization by partnering with Human Resources. As for what you would do if you ran the company: Well, here is your chance to see what you would do – we are going to do an experiment to find out how good of leaders you really are. We will be putting you in HR’s shoes for an hour to see what ideas you come up with to create the perfect organizational culture. Join the fun! Learn about HR! Develop a new way of thinking about your organizational culture!

Speaker’s Bio: Dawn Cacciotti, SPHR, HCS

Dawn Cacciotti owns and operates EngageHRnow, LLC, a leading Human Resources consulting firm that partners with Associations and small to mid-size businesses across the country. Dawn created EngageHRnow to team with business leaders that understand the connectivity between improving their Human Resources infrastructure and advancing their organization’s culture to generate improved business results; but don’t have the time or the expert resources to focus on this specialized need.

Dawn has her Bachelor’s degree in Human Resources Management, earned her **Senior Professional in Human Resources certification (SPHR)** from HRCI, is a member of the Society for Human Resources Management (SHRM), and has also earned her **Human Capital Strategist certification (HCS)** from the Human Capital Institute.
