

# ASQ Fellow Matrix of Requirements

Per Policy G-3, Rev. E, 11/03/00

## Step 1: Candidate must meet three basic qualification requirements.

- All three requirements must be met for the nomination to be considered by the Society Examining Committee

Criterion	Minimum Requirement	Sample Summary Write-up	Attachments or evidence
1. <b>Active experience in quality related positions</b>	<p><b>15 full calendar years</b> prior to the date on which the nomination for Fellow is submitted.</p> <ul style="list-style-type: none"> <li><b>Note:</b> this does <b>NOT</b> have to be <b>continuous</b> experience.</li> </ul>	<p>3/78 – 12/85      Quality inspector, ABCorp.                      12/85 – 8/90      Quality engineer, ABCorp.                      8/90 – 11/97      Quality manager, XYCo.                      12/97 – present    VP Quality, XYCo.</p>	<p>Resume with detailed job descriptions and month/year dates, or letters from supervisors.</p> <ul style="list-style-type: none"> <li>Ensure the “quality-related” nature of each position is clear.</li> </ul>
2. <b>Senior member of ASQ in good standing</b>	<p><b>5 full consecutive calendar years</b> prior to the date on which the Fellow nomination is submitted.</p> <ul style="list-style-type: none"> <li>Up to 3 years of this may be satisfied through equivalent time earned as a Senior Member or comparable grade in another recognized professional association or ASQ international affiliate society</li> </ul>	ASQ member since 3/78; Senior member since 12/90.	Copy of Senior member certificate.
		ASQ member since 3/78; Senior member since 1/98; Senior member of IEEE since 12/85; elected IEEE Fellow 5/90.	Copy of ASQ Senior member certificate, plus copy of member certificate (with dates and member grade info) of other association, plus information on the other association’s purpose, and description of the other association’s membership grades.
3. <b>Has attained distinction in quality-related disciplines</b>	<p>Attained distinction in one or more of the following ways:</p> <ol style="list-style-type: none"> <li>Planning or operation of quality-related work activities.</li> <li>Teaching a major course in a quality-related academic discipline at an accredited school or institution.</li> <li>Developing original theories, principles, or techniques of quality-related work.</li> <li>Expounding useful theories, principles, or methods of quality-related work.</li> <li>Directing work of significant scope in the</li> </ol>	<ol style="list-style-type: none"> <li>J. Q. Doe planned and implemented SPC throughout the ABC Division of XYCo. in the 1970s, reducing scrap from 25% to 10 PPM.</li> <li>J. Q. Doe has taught Statistics, Design of Experiments and Quality Engineering courses for 10 years at ____ University,</li> <li>J. Q. Doe has published original methodologies for _____ in the <i>Journal of Quality Technology</i> and in <i>Technometrics</i>.</li> <li>J. Q. Doe is a regular, frequent speaker and seminar lecturer on _____, and has been an invited speaker at ____.</li> </ol>	<ul style="list-style-type: none"> <li>Job descriptions</li> <li>Resume</li> <li>Letters from supervisor or recognized authorities from quality-related disciplines</li> <li>Copies of records of service (teaching, speaking)</li> <li>Copies of patents, publications etc.</li> </ul>

# ASQ Fellow Matrix of Requirements

*Per Policy G-3, Rev. E, 11/03/00*

	application of quality-related work.	5. J. Q. Doe has been Corporate VP for Quality at XYCo. since 1985, responsible for achieving and maintaining ISO 9002 certification across 5 Divisions and 15 manufacturing facilities worldwide.	
--	--------------------------------------	--	--

# ASQ Fellow Matrix of Requirements

*Per Policy G-3, Rev. E, 11/03/00*

**Step 2: Candidate must meet minimum scoring requirements in each of six Proficiency Areas.**

**Step 3: Candidate must score a total of 28 points minimum across all six Proficiency Areas.**

- The notations in ***ITALICS*** show the minimum level needed in each criterion.
- Be sure to support the point level requested with adequate data to allow for evaluation.
  - If the documentation is very clear for that level, it is not necessary to support each of the lower levels with additional documentation
  - If there is doubt about the valuation of the evidence at the level applied for, support the next lower point value, but always support at least the minimum!

## Technical Experience

***4 points Minimum required***

- Always attach a complete, detailed resume.
- For each position, include: start and end dates (month and year), job title, company/employer name, description of responsibilities and accomplishments, number and position of those supervised if any, title of direct supervisor.
- Be sure that sufficient information is provided to make it clear that the minimum of 15 full calendar years in quality related positions has been satisfied.

Criterion	Score	Sample Summary Write-up	Attachments or evidence
Understands and applies basic quality management concepts	1 Point	J. Q. Doe works as a receipt inspector and routinely interfaces with the plants corrective action system including follow-up with purchasing for responses.	Job descriptions, resume or letter from supervisor
Understands and routinely applies quality-related concepts	2 Points	J. Q. Doe in his job as _____ demonstrates the application of the core concepts of quality with respect to inspection/report writing and data analysis.	Job description, resume or letters from supervisors
Has been awarded the ASQ Quality Technician, Certified Mechanical Inspector, or equivalent.	3 Points	J. Q. Doe is a certified _____, He passed these test(s) in _____.	Copies of current certificates
<i>Has achieved useful or significant results through the application of quality-related concepts.</i>	<i>4 Points (Required Level of demonstrated experience or expertise)</i>	<i>J. Q. Doe's studies in reliability at Co ABC resulted in a 60% reduction of warranty accrual funds in the time frame of 1998-2000. The resulting saving to the company was in the \$3.4M range per annum.</i>	<i>Citation or memo from company on letterhead describing the application of the concepts and the actual results.</i>

## ASQ Fellow Matrix of Requirements

*Per Policy G-3, Rev. E, 11/03/00*

Has developed and implemented significant new applications of quality-related concepts.	5 Points	J. Q. Doe, developed new techniques for _____. This was based on original research for ABC Co. which successfully applied the concepts as follows:_____	Internal company procedures, publications or memos showing the development and application with results. OR original case studies if not done within a company setting showing same.
Has been awarded the ASQ Certified Quality Engineer, Certified Reliability Engineer or equivalent; has been awarded professional licensing/registration or similar recognition.	6 points	J. Q. Doe is a Certified Quality Engineer (or any ASQ certification requiring recertification submittals) <hr/> J. Q. Doe is a P.E. in civil engineering in the state of ____.	<hr/> Copies of current certificates Copy of Current PE license
Has made significant contributions to the development, understanding, and application of theoretical concepts and methods of quality-related disciplines.	7 points		
Has received formal recognition for truly outstanding technical experience in quality-related disciplines.	8 points	J. Q. Doe has been recognized with the _____ Award from _____. This was granted/awarded as a result of the development of (contributions to) the application of _____ methods in the _____ industry.	Copies of awards and or citations and background or description of organization granting the recognition

### Occupational Responsibility

***3 points Minimum required***

- Indicate how each position the nominee has held qualifies as quality-related.

<b>Criterion</b>	<b>Score</b>	<b>Sample Summary Write-up</b>	<b>Attachments or evidence</b>
Support position, such as technician, analyst, or inspector.	1 point	Application can state "See attachment" if attachment provides complete information	Resume with job descriptions
First-line supervisor, such as group leader, administrator, shift supervisor, or quality supervisor.	2 points	Application can state "See attachment" if attachment provides complete information	Resume with job descriptions. Should show numbers of personnel supervised and scope of job functions.
<i>Professional support position, such as engineer, statistician, auditor, instructor, or assistant / associate</i>	<i>3 Points (Required Level of demonstrated)</i>	<i>Application can state "See attachment" if attachment provides complete information</i>	<i>Resume with job descriptions. Should show level of professional or technical expertise needed to perform job acceptably.</i>

# ASQ Fellow Matrix of Requirements

*Per Policy G-3, Rev. E, 11/03/00*

<i>professor.</i>	<i>experience or expertise)</i>		
Professional management position, such as engineering manager, production manager, product manager, quality manager, internal consultant, private consultant, instructor, or professor.	4 points	Application can state "See attachment" if attachment provides complete information	Resume with job descriptions. Should show numbers of personnel supervised and scope of job functions. If a consultant or professor, it should show the departments affiliated with and scope of responsibilities
Professional management position including responsibility for developing and/or implementing quality processes or theories recognized as effective methods for business or process improvement.	5 Points	Application can state "See attachment" if attachment provides complete information	Resume with job descriptions. Should show numbers of personnel supervised and scope of job functions. The resume or write up should show the extent of development and application of processes or theories developed.
Professional management position including organization-wide responsibility for a major quality function (reliability, standards, statistics, benchmarking, process management, etc.) or business improvement program at division, corporate, or institution level in a multi-unit product or service business or public sector organization (includes health care, educational, military, and government).	6 Points	Application can state "See attachment" if attachment provides complete information	Resume with job descriptions. Should show numbers of personnel supervised and scope of job functions. The scope needs to clearly show that the position is corporate or multi unit in scope of coverage.
Corporate level management, including responsibility for quality or business improvement in a multi-unit business or organization, or partner or principal in a national consulting firm.	7 Points	Application can state, "See attachment" if attachment provides complete information. A corporate structure is needed to show corporate level management, and organization chart or site listings or such should be in the attachment	Resume with job descriptions. Should show numbers of personnel supervised and scope of job functions. The scope needs to clearly show that the position is corporate or multi unit in scope of coverage.  For consultants, the definition of national consulting firm is multi-site, multi-state.
Recognition at the national or international level for development or management of quality or business	8 points	J. Q. Doe has been recognized by the _____ of _____ for management of or development of _____.	Copies of citations, awards, publicity showing the recognition given, including when, where and who gave the recognition
