Major Duties:

The Quality Assurance Specialist position is located in the Office of Pharmaceutical Science. As the senior Quality Assurance Specialist is responsible for coordinating the development and overseeing the implementation of the Quality Management Plan (QMP) or other established guidelines and supports internal efforts to align FDA with priority initiatives such as Pharmaceutical Current Good Manufacturing Products (cGMP) for the 21st Century. Specifically, the Quality Assurance Specialist:

- Participates in developing, implementing and maintaining the CMC Quality Management Systems and the QMP;
- Leads the line office on program quality related issues and efforts in alignment with all FDA/CDER

efforts;

- Represents the line office as a member of the CMC Quality System Board (QSB) and informs the line Office Director on CMC quality system updates, including any deficiencies or improvements;
- Develops tentative/final operating criteria and procedures, staff and operational quality standards and protocols, and any other communications pertaining to the CMC Quality Management Systems; and
- Coordinates the resolution of line office issues related to the QMS components, including planning, implementation, and evaluation of process improvement tools utilized.

Qualifications:

In order to qualify for the Quality Assurance Specialist, GS-14 you must possess the following:

Possess at least one year of specialized experience equivalent to the GS-13 level in the Federal service, overseeing the activities of Chemistry, Manufacturing, and Controls (CMC) review process and drug testing and scientific evaluation of drug products in support of FDA; complete assessment of product and process design, evaluation of product quality in light of established standards and setting; maintain new quality standards; and keep line Office Director informed of any deficiencies or improvements.

ARE YOU USING YOUR EDUCATION TO QUALIFY? You MUST provide transcripts or other documentation to support your educational claims. Unless otherwise stated: (1) unofficial transcripts are acceptable, or (2) you may submit a list with all of your courses, grades, semester, year, and credit for the course. All materials must be submitted by the closing date of the announcement.

Foreign Education: If you are using education completed in foreign colleges or universities to meet the qualification requirements, you must show that the education credentials have been evaluated by a private organization that specializes in interpretation of foreign education programs and such education has been deemed equivalent to that gained in an accredited U.S. education program; or full credit has been given for the courses at a U.S. accredited college or university. PART-TIME OR UNPAID EXPERIENCE: Credit will be given for appropriate unpaid work on the same basis for paid experience. Part-time experience will be credited on the basis of time actually spent in appropriate activities. To receive credit for such experience, you must indicate clearly the nature of the duties and responsibilities in each position held and the number of hours per week spent in such employment.

Only experience obtained by the closing date of this announcement will be considered.

Status candidates must meet time in grade requirements (52 weeks at the next lower grade level.)

A favorable background/security investigation under Homeland Security Presidential Directive (HSPD) -12 and other applicable laws and regulations is a condition of employment for this position. A credit check may be required as part of the investigation. An unfavorable adjudication of a background/security investigation may result in your removal from the federal service.

How You Will Be Evaluated:

Once the application process is complete, a review of resume and supporting documentation will be made and compared against your responses to the assessment questionnaire to determine if you are qualified for this job. If, after reviewing your resume and or supporting documentation, a determination is made that you have inflated your qualifications and or experience, you may lose consideration for this position. Please follow all instructions carefully. Errors or omissions may affect your eligibility. Qualified candidates will be assigned to a quality category. The category assignment is a measure of the degree in which your background matches the competencies required for this position. Your qualifications will be evaluated on the following competencies (knowledge, skills, abilities and other characteristics):

- Knowledge of quality assurance principles and practices
- Skill in analyzing scientific issues and improvements in pharmaceutical science
- Ability to communicate technical information orally and in writing
