Summary:

This presentation will provide an overview of the SBA's Contracting Programs and Services as they relate to Federal assistance to Small Business Entrepreneurship in general. In the first half of our program, we will focus our discussion on Federal procurement programs, policies, achievements, issues, and challenges; programs include 8(a) business development, native Americans, women, minority, veterans, 50+, young entrepreneurs etc. We will then move our focus in our second half of the program to specifically the Federal assistance to our Veteran Business Community. Open discussion pertaining to Federal assistance to our Business Community at large is very welcome.
